

Hotel & Transportation Committee Alert

re: Las Vegas Temporary Hotel Relocation

January 30, 2023

Dear Flight Attendants,

I have been advised that due to an oversold situation at the Las Vegas Westin Hotel, **all crews arriving in LAS both today (1/30) and tomorrow (1/31) will be relocated to another property.** The Westin is working on these relocations and I do not know which property or properties will be used or whether all crews will be sent to the same hotel. This is a developing situation and I wanted to give warning to our LAS commuters and segment traders that could potentially be impacted by these relocations. If I hear any more news regarding which properties will be used, I will update this post.

Today's (1/30) flight #32 crew (OGG-LAS) will be relocated to:

Platinum Hotel
211 E Flamingo Road
702-365-5000

Today's (1/30) flight #18 crew will be relocated to Hilton Grand Vacations Club

2650 S. Las Vegas Blvd
702-765-8300

Tonight's (1/30) flight #8 crew will be relocated to Las Vegas Hilton

999 Resorts World Avenue

Tomorrow's (1/31) flight #32 crew will be relocated to the Hilton Grand Vacations Club.

Tomorrow's (1/31) flight #18 crew will be relocated to the Hilton Grand Vacations Club. (Your pilots will stay at Springhill Suites Convention Center)

As always, please continue to write up any hotel and transportation issues that you encounter using the CrewConneX app.

Mahalo!
