re: Phoenix Temporary Hotel Relocation

February 7, 2023

Dear Flight Attendants,

I've just been informed that all Flight Attendants working flights to PHX leaving HNL on **February 8 & 9 will be relocated to the Hyatt Place Phoenix Downtown** for their 2 night layover. **Rolling time from the hotel will remain unchanged.**

As always, please continue to write up any hotel and transportation issues that you encounter using the CrewConneX app.

Mahalo!
